

## 3-Inch Mobile Printer

**Drive productivity, improve inventory management, and customer service by giving your workers a leading advantage in challenging work environments to help achieve your operational goals.**

The LNx3 mobile label and receipt printer brings the power and reliability of Honeywell printers into a durable, lightweight, direct thermal printer meeting or exceeding industry printer specifications. This three-inch, feature-packed, high-capacity label and receipt printer gives the right technology for your business's rapidly changing work environments.

Compact enough to carry or wear during a full work shift, equipped with seamless Wi-Fi and Bluetooth® connectivity, and leading print speeds up to 5 IPS, this printer supports large-volume label and receipt printing requirements in longer intervals helping boost productivity. Keep printing through demanding environments with a long-lasting 2800mAH hot-swap battery allowing for extended operating and standby time.

Effortlessly connect with MFi, NFC pairing, and both Bluetooth and Wi-Fi options. Print from almost any device with Windows®, iOS, and Android™ compatibility.

Enable greater mobility and capability with optional accessories, including a IP54 case with belt clip or shoulder strap, battery charger, spare battery, and more.

*Durable, rugged direct thermal printer with intuitive set-up and interface for premium printing performance.*

## FEATURES AND BENEFITS

Certification to IP54, withstands tumbles up to 0.5 m (1.5 ft) and drops up to 1.8 m (5 ft) with protective case for maximum durability.

Powered by a 2800mAH hot-swap battery, easily swap the battery without losing connectivity or re-setting the printer.

MFi certified for iOS and Bluetooth, and NFC to conveniently connect to smart devices.

2.4-inch LED color screen and single hand media loading door design simplifies setup and maintenance.

Comprehensive printer command language support, such as ZPL-II, ESC/P, CPCL, XSim, ESC/POS, and more for easier printing.
